Subject: 2021 AAPCO lab director's meeting Final Agenda

Dear Speakers,

The Final Agenda for the 2021 AAPCO lab director's meeting (virtual) is attached.

We do not pre-record the presentations. Please plan on using the "share screen" function when you present your talk. You have the option to send me PDF version of your slides in advance in case something goes wrong with the sharing the screen function. We will not upload your PDF slides to the AAPCO website until we receive permission from you after the meeting.

Please feel free to ask any questions.

Thank you for agreeing to give a presentation at the AAPCO Lab Committee meeting!
